Thanks for your interest in Liberty Suppressors!

As always, our suppressors offer a Lifetime Warranty and generous margins for dealers.

We only require a minimum of 25% down. The remaining balance will be charged as soon as your order is ready to ship out. We accept Visa, MasterCard, Discover, checks and money orders, all with no fees.

There are no finance charges applied as long as we are authorized to run the credit card and there is no problem with payment when the order is ready to ship. If the credit card does not go thru, you decide to send a check, etc., the standard finance charges will apply. This will be 3% of unpaid balance per month.

There is also a restocking fee of 15% (with a minimum of \$75) for all cancelled orders. This is an unfortunate reality to cover credit card fees, cancel ATF forms, sitting on products without the ability to resell for many months and office labor to process the cancellation.

We do enforce MAP Pricing.

Regardless of where you order, we always do our best to make sure you receive wonderful customer service and state of the art suppressor in construction and sound reduction. Give us a call at 706-661-6911 or visit our online dealer web store at [www.libertycans.net/dealerstore](http://www.libertycans.net/dealerstore)

Thank you!

## **High Volume Order Discount**

Any dealer who orders at least 10 silencers, of any model, will receive special High Volume pricing. See the pricing chart for this premium pricing.

## **2021 Promotion**

In 2021, we are offering FREE SHIPPING if you order 5 cans or more! This offer applies to any Suppressor in our line up.

## **Salesman Reward Program**

To reward sales people (sorry, not shop owners), Liberty Suppressors will give a FREE suppressor to any salesman selling 15 suppressors within a rolling year.

The value of the suppressor will be the average dealer cost of the suppressors sold. If your average is \$460, you will qualify for a Mystic X. If your average is below the level of the desired suppressor, you may make up the difference. So if your average is \$400, you can pay the \$60 difference.

The salesperson will need to keep track of their sales and retain a copy of the receipt and form 4 for each suppressor sold, then submit them via email to us for verification.

## **Retail Incentive *FOR A LIMITED TIME***

Any customer who purchases (2) suppressors (via their local dealer *OR* directly through Liberty Suppressors), will receive a FREE Poster & Cleaning Kit! Also, if they would like, we can put the customers photo on our social media pages!

Note: The customer will need to send in proof of purchase to support@libertycans.net to receive their free items

ATTENTION: Pricing subject to change at any time. Current pricing is always available on our website.
